Bio-Kult is a scientifically developed, naturally powerful, 14 strain probiotic that works with your body's natural defenses by repopulating your gut with beneficial bacteria and promoting good health*.

- 14 protected probiotic strains proven to survive the high acidity of stomach acid
- No artificial colors, flavors or preservatives
- Bio-Kult is non-GMO, gluten-free, egg and nut free product
- Guaranteed viability to the end of the 2-year shelf life
- Does not need to be refrigerated

Bio-Kult is widely available throughout America.

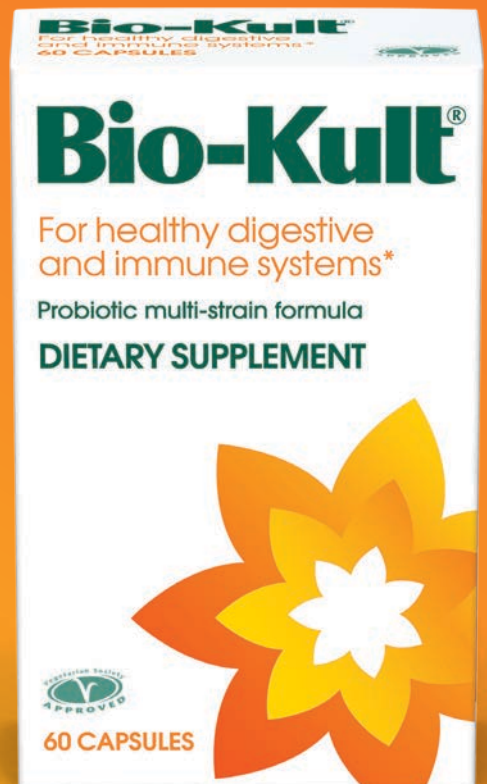

To find out more about Bio-Kult speak to your distributor or visit bio-kult.com.

Bio-Kult®
The experts in probiotics
